

Hamelin Trust. For life.

Trustee

As a Trustee you will have the opportunity to give back in a way that makes a fundamental difference to the lives of young people and adults in Essex.

In order to guide our Charity into its next stage of growth and development, we are looking for members of the community with a legal, marketing, health or social care background and a passion for people.

However, it is not just the value of your commercial and professional skills that matter to us, it's who you are, too. We are looking for Trustees with energy, compassion and a strong belief in the power of bringing communities together. People who want to challenge the way things have been done to create new opportunities, and who can inspire, support and empower others to do the same.

Hamelin Trust is a charity with 40 years of history, founded by local parents to support children with learning disabilities. We have grown over the years to become inclusive of young people and adults, and their families, with the belief that everyone should have the opportunity to live a healthy, active and fulfilling life.

Our main offices are in Billericay and we deliver services across the county of Essex. Visibility and relationship building are important to us and we would love for you to actively engage with our beneficiaries, families and networks in addition to your contribution at Board/Committee meetings.

How do I apply?

If you really want to make a difference and join a Charity that is ambitious about growth to support our community, please send your CV to Janet Smith on janet.smith@hamelintrust.org.uk.

Our Board are really happy to have an informal conversation prior to your application so please do get in touch with Janet on 01277 653889 to set up a call.

Hamelin Trust has a duty to safeguard and promote the wellbeing of its service users and is committed to doing so. We expect all staff and volunteers to share this commitment. All appointments are subject to satisfactory enhanced DBS disclosure and other safeguarding clearance.
