

Hamelin Trust. For life.

Director of Care – Full time

Hamelin Trust is offering an exciting new opportunity for a passionate, dedicated, and skilled Director of Care to join them in their period of growth and expansion. We have ambitious plans to develop inclusive, compassionate communities where people live the life they choose.

With a history of over 40 years of experience operating in care, we provide personalised support for individuals with learning disabilities. We currently operate day services, outreach reservices, short breaks and residential homes, and our growth strategy seeks to deliver a person focused, place-based model of social care.

You will be someone with a proven track record in the social care, health or a related sector. Whilst having recent experience as a Director for Social or Health Care Services is preferable, we are open to attracting the rising stars who are ready to step up and can become future leaders. You will be able to demonstrate a strong ethos for working in collaboration and through integrated services both across the local authority and with key partnerships, notably care, health and the voluntary sector. You'll have a natural ability to use resources effectively and promote a culture of personal responsibility and accountability.

As a member of the Senior Leadership Team (SLT), the Director of Care will have the following responsibilities:

- Providing care leadership, drive, and innovation in the provision and development of our services.
- Ensuring a culture of excellence and robust governance.
- Working with the CE and SLT on the future development of care that we provide.
- Ensuring a high quality of service user safety, experience and providing a culture of openness, learning and innovation.
- Leading on all safeguarding aspects.
- Shaping and implementing the strategic care direction of Hamelin Trust.
- Driving research, education, and innovations regarding best evidence-based care for individuals, families, and communities.
- Ensuring that services are developed in partnership with stakeholders.
- As a member of the SLT, the post holder will also contribute to the broader strategic development of the organisation.

If you are interested and are inspired to help lead the next phase of our journey, we look forward to your application.

Salary – up to £65,000 dependent upon experience

Closing date for applications: 28th June 2022

For further details of this role, please contact Grace Osborne on 01277 653889 or grace.osborne@hamelintrust.org.uk

Hamelin Trust has a duty to safeguard and promote the wellbeing of its service users and is committed to doing so. Hamelin Trust expects all staff and volunteers to share this commitment. All appointments are subject to satisfactory enhanced DBS disclosure & other safeguarding clearances.
