Waking Nights Support Worker – Full or Part Time

Are you looking for a new opportunity to make a positive impact by joining a committed team providing high quality care?

Hamelin Trust is an Essex based charity that offers development, independence and person-centred care for young people and adults with learning disabilities (including those with other physical and sensory impairments) through our various services.

Gowlands in Sutton Road Rochford is our ten bedded short break service. Set in five spacious acres, the site (which is also home to our Hydrotherapy Pool and horticultural project, Roots and Shoots) is a calm and relaxing space for all who work or visit there. The opportunity has arisen to join us as Waking Night Support Staff, working as a member of our dedicated night staff team providing overnight care and support to our guests at Gowlands.

Prior experience working with adults with learning disabilities is desirable, but full training is provided – so as long as you are passionate about supporting those with disabilities to reach their full potential, we'd love to hear from you!

We offer:

- £11 per hour + night working enhancement of 25% (weeknights) and 50% (weekends)
- Free training – including full induction and on-going training.
- Free enhanced DBS check
- Free onsite parking
- Access to our Employee Assistance Program through Health Assured

To apply, please forward your CV to hr@hamelintrust.org.uk or if you would like to discuss the role further, please call 01277 653889 to speak to Phoebe Mayell, Recruitment Coordinator.
